

**CHRYSLER**

**SAFETY RECALL H07  
TIRE PRESSURE MONITORING SYSTEM ELECTRICAL CONNECTORS**

Dear: (Name)

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Chrysler has decided that a defect, which relates to motor vehicle safety, exists in some 2007 and 2008 model year Dodge Avenger and Chrysler Sebring vehicles equipped with the standard tire pressure monitoring system.

**The problem is...** An unused tire pressure monitoring system electrical connector on your vehicle (VIN: xxxxxxxxxxxxxxxxx) may become corroded and could short circuit. This can cause a variety of conditions including an engine no-start, a dead battery, an inoperative cruise control or remote start system and/or engine stalling. Engine stalling could cause a crash without warning.

**What your dealer will do...** Chrysler will repair your vehicle free of charge (parts and labor). To do this, your dealer will seal the wires for the tire pressure monitoring system. The work will take about one hour to complete. However, additional time may be necessary depending on service schedules.

**What you must do to ensure your safety...** Simply contact your dealer right away to schedule a service appointment. Ask the dealer to hold the parts for your vehicle or to order them before your appointment. Remember to bring this letter with you to your dealer.

**If you need help...** If you have questions or concerns which your dealer is unable to resolve, please contact Chrysler at 1-800-853-1403.

Please help us update our records, by filling out the attached prepaid postcard, if any of the conditions listed on the card apply to you or your vehicle.

If you have already experienced this condition and have paid to have it repaired, you may send your original receipts and/or other adequate proof of payment to the following address for reimbursement: Chrysler Recall Customer Assistance, P.O. Box 21-8007, Auburn Hills, MI 48321-8007, Attention: Reimbursement.

If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to <http://www.safercar.gov>.

We're sorry for any inconvenience, but we are sincerely concerned about your safety. Thank you for your attention to this important matter.
